

PUBLIC NOTICE
Thursday, April 29, 2010
Water Conservation Advisory Committee
Water Wise Educational Event
West Sedona School, 570 Posse Ground Road, Sedona

Notice is hereby given to the members of the Water Conservation Advisory Committee and to the general public that the Water Conservation Advisory Committee is hosting the City's Annual Water Wise Educational Event to be held on Thursday, April 29, 2010 from approximately 8:30 am to 12:00 pm at the West Sedona School, located 570 Posse Ground Road, Sedona Arizona. Members of the Water Conservation Advisory Committee will attend and participate in the educational event as part of the fourth grade curriculum.

The purpose of this event is to educate, inform and encourage fourth grade students to increase their water awareness and make conservation a continuing way of life.

The Sedona City Council and members of City Commissions and Committees have also been invited to attend the Annual Water Wise Educational Event. While this is not official City meeting, because of the potential that four or more Water Conservation Advisory Committee members, City Council members, and other Commissioners or Board members may be present at one time, public notice is therefore given for this event.

Audree Juhlin, Assistant Director
Community Development Department
